

Start Healthy. Stay Healthy

The Medical Care for Children Partnership (MCCP) Foundation is celebrating its Annual Gala, honoring community champions of children’s health. The event will be held on Saturday, April 21, 2018 at The Country Club of Fairfax in Fairfax, VA. This event brings together federal, state, and local government executives, corporate partners, and individuals invested in the future of children’s health in Fairfax County. Your donation will be included in the auction portion of the evening. Your contribution is important to the success of the event and to the children who rely on MCCP to provide access to quality medical and dental care each year. You will receive a separate document for tax purposes following the event. For more information about MCCP, visit www.mccpfoundation.org.
